Week 25 Review *(continued)*

Name _____

Handwriting practice line for the letter 'e'. It consists of a solid top line, a dashed middle line, and a solid bottom line. On the left, there is a solid lowercase 'e' with a small circle at its top and a horizontal line extending to the right, indicating the stroke direction. To its right is a dotted lowercase 'e' for tracing. Further right are two small grey dots, one on the dashed middle line and one on the solid bottom line, serving as starting points for independent writing.

Handwriting practice line for the letter 'f'. It consists of a solid top line, a dashed middle line, and a solid bottom line. On the left, there is a solid lowercase 'f' with a small circle at its top and a vertical line extending down to the bottom line, indicating the stroke direction. To its right is a dotted lowercase 'f' for tracing. Further right are two small grey dots, one on the dashed middle line and one on the solid bottom line, serving as starting points for independent writing.
